A Praxis II Test Study Guide Unlike Any Other. If you'd like to get the Praxis II test score you deserve, to quit worrying about whether your score on the Praxis II test is "good enough," and to beat the test taking game, then this might be the most important message you read this year. Earth is the third planet from the Sun and the only astronomical object known to harbor life. According to radiometric dating and other sources of evidence, Earth formed over 4.5 billion years ago. This Study Guide consists of approximately 46 pages of chapter summaries, quotes, character analysis, themes, and more - everything you need to sharpen your knowledge of Journey to the Center of the Earth.
