

Download The Rodale Guide To Composting

Fulfillment by Amazon (FBA) is a service we offer sellers that lets them store their products in Amazon's fulfillment centers, and we directly pack, ship, and provide customer service for these products. The essential guide to composting for all gardeners and environmentally conscious people Composting is fast becoming a household word. Gardeners know it is the best way to feed the soil, while others look to composting as a way to dispose of grass clippings, autumn leaves, and tree trimmings. Let it Rot!: The Gardener's Guide to Composting. If you can only own one book on composting, this is it. Covering just about everything gardeners need to know about composting - it's very thorough. Compost (/ ? k ? m p ? s t / or / ? k ? m p o ? s t /) is organic matter that has been decomposed in a process called composting. This process recycles various organic materials otherwise regarded as waste products and produces a soil conditioner (the compost).
